The PLD has an overhead circuit on the DTE pole lead on the West side of Scotten. We do not know if DTE is planning to relocate their poles to accommodate the petitioner.

If the DTE poles are relocated, we must have right-of-way on the new poles. We also have underground cables, conduit and manholes in this area. We require un-obstructed, 24-hour access to the area (and a joint-use key) if it is fenced and gated.

Prior to formally making the street an easement, please have petitioner enter into a relocation agreement (or access agreement) with Denise Williams of the City of Detroit, PLD on 313-267-7216.

Public Lighting Department

Denise Williams

Senior Assistant Mechanical Engineer
