Dear Jose & Evelyn Lagares

I am writing to you on behalf of the property owners on Horatio, behind your residence at 6346 Pelouze.

We are requesting your permission to vacate the alley behind our homes. We would like to clean out the alley and close it off because it poses a danger to our homes.

About a month ago, someone started the garage on fire at 6357 Horatio St in the alley, and it caught the garage at 6351 Horatio on fire.

We would like to minimize the danger of arson and break ins to our homes.

Please call me at (313) 310-0815, or write to me at above address.

Thank you very much,

yours truly
Marian E. Perez
