Honorable City Council:

Re: Petition No. 377, Maria Perez, request to close alley because of illegal dumping between Livernois, Horatio, Gilbert and Pelouze.

Petition No. 377 – Maria Perez et al, request to vacate and convert to easement the east-west alley, 20 feet wide, in the block bounded by Pelouze Street, 60 feet wide, Horatio Street, 60 feet wide, Gilbert Avenue, 53 feet wide and Livernois Avenue, 120 feet wide.

This request is being made to provide security and to prevent illegal dumping in the alley.

The petition was referred to the City Engineering Division – DPW for investigation (utility review) and report. This is our report.

The request was approved by the Solid Waste Division – DPW, and Traffic Engineering Division – DPW.

All involved City Departments, including the Public Lighting Department, Public Lighting Authority and privately owned utility companies have reported no objections to the conversion of the public rights-of-way into a private easement for public utilities. Provisions protecting utility installations are part of the attached resolution.

Detroit Water and Sewerage Department (DWSD) has no objection to the conversion to easement. The specific DWSD provisions for easements are included in the resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,

Richard Doherty, P.E., City Engineer
City Engineering Division – DPW
