FROM: Debra Singleton, Manager II
Detroit Water and Sewerage Department

DATE: October 17, 2014

RE: Petition No. 380
Request to Vacate the North/South and East/West Alleys in the Block Bound by
Temple, Park, Charlotte, and Woodward

We have reviewed the above Petition received by this office on September 2, 2014. With regard to DWSD's interests, our comment is as follows:

- Our records indicate that there are sewers in the alley. DWSD objects to the vacation of the alleys. However, DWSD has no objections if the petitioner agrees to relocate the sewers in accordance to the attached provision for relocation at no cost to DWSD.

If you have any questions, please call me at (313) 267-8309.

Sincerely,

Debra Singleton
Manager II

JOB NO.	01-01
DRWG. NO.	X 380

Detroit Water & Sewerage Department
Provisions for Relocation Due to Vacation for Petition No 380.

Provided that the petitioner shall design and construct proposed sewers and water mains and to make the connections to the existing public sewers and water mains as required by the Detroit Water and Sewerage Department (DWSD) prior to construction of the proposed sewers and water mains,

Provided that the plans for the sewers and water mains shall be prepared by a registered engineer; and further

Provided that DWSD be and is hereby authorized to review the drawings for the proposed sewers and water mains and to issue permits for the construction of the sewers, and further

Provided that the entire work is to be performed in accordance with plans and specifications approved by DWSD and constructed under the inspection and approval of DWSD; and further

Provided that the entire cost of the proposed sewers and water mains construction, including inspection, survey and engineering shall be borne by the petitioner; and further

Provided that the petitioner shall deposit with DWSD, in advance of engineering, inspection and survey, such amounts as the department deems necessary to cover the costs of these services; and further

Provided that the petitioner shall grant to the City a satisfactory easement for the sewers; and water mains and further

Provided that the Board of Water Commissioners shall accept and execute the easement grant on behalf of the City; and further

Provided, that the petitioner shall provide DWSD with as -built drawings on the proposed sewers and water mains; and further

Provided that the petitioner shall provide a one (1) year warranty for the proposed sewers and water main; and further

Provided that upon satisfactory completion, the sewers and water mains shall become City property and become part of the City system. And any existing sewers and water mains that were abandoned shall belong to the petitioner and will no longer be the responsibility of the City.
