Greg,

I did look at the drawings and did not see any interference with the PLA installation.

Regards,

A

Dear Mr. Lytle,

As we spoke, could you correspond with Mr. Williams in the Survey Bureau and let him know that our work will not interfere or adversely affect with respect to PLA? His email and phone # are found below.

Thanks,

Gregory Kernosek, P.E.

Gentlemen,

When we last corresponded I had provided Supplemental information to assist with the completion of Petition #399 associated with a ROE in Berg Road and nearby alley. Can you provide me a status update? Thank you.
