## USPS Tracking Intranet

### Delivery Signature and Address

1. On 3/31/19, PTR changed the event description on all versions of the intranet tracking results for consistency. E.g., on the container results page, the U1 event was UNLOAD but now reflects ARRIVE USPS FACILITY. The change is for the description only.

2. "Scheduled Delivery Date from the ISC" is incorrectly showing "by 8:00pm" on the Internet and Intranet tracking results page for international items. Until this is fixed on the page, please disregard the time of "by 8:00pm" and adhere to the correct commitment time of 3:00pm; deliveries/attempts after 3:00pm fail service.
