Keith, Walter,

TED had sent out a response/denial to the petitioner on 12/3/2015 stating the reason of objection. Thereafter, we have tried to arrange a meeting with the petitioner but the meetings never materialized. I have left several voice messages for the petitioner but never heard back from him. I believe that the petitioner is no longer interested in pursuing the request further since they have not reached out to respond to us.

Hello Meena:

Can you e-mail me back your reasons on closing this Petition? Keith wanted it so it could be placed into the inactive file.

Thanks

Sincerely
