Re: Bern Permit

I am the owner of Exotic Cars, a used car and collision services located at 14500 W. Seven Mile Road, at the corner of Hubbell. I have been operating at this location for over two years and have continued to maintain the sidewalk and the curbs. Sometimes we have an overflow of vehicles, which we display during the daytime and store indoor during closing. Our office operating hours are from 9:00 a.m. until 6:00 p.m. from Mondays through Saturdays. Sometimes we park no more than three vehicles on the curb, which doesn't interfere with the sidewalk or pedestrians.

Unfortunately, sometimes during the day, the Municipal parking department of the City of Detroit issue parking tickets which has prevented our customers from feeling the comfort of conducting business.

I am therefore requesting that the City of Detroit grants us a variance for the use of the curbside to park our vehicles during our operating hours. In consideration, Exotic cars will maintain the City curb at the intersection and will be willing to pave the curbs without obstructing the sidewalks or the pedestrian right of way. We also request that the Municipal Parking department of the City of Detroit refrain from issuing parking tickets in this location. Your consideration of this request will be greatly appreciated and I am willing to be granted a hearing before the honorable body to discuss this issue further when granted the opportunity. I thank you in advance for your consideration. I can be reached by phone at (313) 345-1000 or by mail at 14500 W. Seven Mile Road, Detroit, MI 48235.

Yours truly,

Toni Kada
