Detroit, MI 48226

Re: Petition to City Council

Your Honor:

Please accept this petition for work to be completed around an underground tunnel located on Shelby Street between West Fort Street and West Lafayette Boulevard. This will require the permission to close this section of Shelby St. to traffic during installation.

**WHO:** Parjana Distribution LLC of Detroit (1274 Library Street, Suite 600, 48226)

**WHAT:** To correct underground water flow issues which are causing water to infiltrate the underground tunnel connecting the Federal Building and the building previously known as the Federal Reserve Building.

**WHERE:** The underground tunnel on Shelby St. between W Fort St. and W Lafayette Blvd.

**WHEN:** Installation needs to take place as soon as possible to allow the Parjana System to acclimate.

**SYNOPSIS:** In order to mitigate the water infiltration problems, Parjana Distribution plans to drill a series of 4-inch diameter holes, at depths of 40 feet, through the street and into the soil surrounding the underground tunnel. Parjana Distribution will be responsible for patching these holes.

Attached are the project plans. For further information or questions pertaining to this project, please feel free to contact us:

Greg McPartlin  
Parjana Distribution  
(855) 727-5262

Thank you in advance for your prompt consideration.

Sincerely,

Greg McPartlin  
Parjana Distribution LLC
