- Not involved. **See Remarks**
- Involved: but asking you to hold action on this petition until further notice.
- Involved but have no objection to the property change - - provided that an easement of the full width of the public right-of-way (street, alley or other public place) is reserved.
- Involved: the nature of our services, and the estimated costs of removing, rerouting or abandonment of such all gas mains and/or services

REMARKS:

Involved but have no objections to the property change, provided that the Renewal of Temporary Street Closure is on a portion of Freud Ave, 60 Ft. Wd. in the Block Bounded by St. Clair, Jefferson Ave E, Harding Ave and Detroit River. Reason being is that, DTE Energy Gas Co. has an existing gas main line (6"-STL-10# 1958) in the proposed area of easements. Otherwise, contact DTE Energy Gas Company Public Improvement Department: Michael Fedele at 313-389-7211 (Supervisor) or Laura Forrester at 313-389-7261 (Gas Planner), for the estimated cost of our services in abandoning/removing/ and/or relocating/rerouting, including the survey, design and drawing of our utilities. See enclosed strip prints for your use and information regarding our gas main locations.

Please abide by Public Act 174, three (3) working days before you dig, dial toll free MISS DIG at: 1 – 800 – 482 – 7171.
