- () Not Involved.
- () Involved; but asking you to hold action on this petition until further notice.
- () Involved; the nature of our services, and the estimated costs of removing and/or rerouting such services are:
- (X) Involved; **have objection** to the request to convert to easement a portion of Ellis Ave. 34.27 Ft wide in the block bound by Marlowe, Ellis, Hubbell Ave. and Joy Rd. as shown on drawing no. x533 dated 2/13/2015 since the partial easement would create a dead end situation for traffic accessing Ellis from the north/south alley in the area. It is suggested that the petitioner submit a revised request for review of Traffic Engineering Division to seek easement of Ellis between Marlowe and Hubbell and the entire north south alley in the block bound by Marlowe, Ellis, Hubbell Ave. and Joy Rd.
