Hello Mr. McCrary,

This letter is a request to have the Alley converted to "Vacated" for related parcels:

20069 Basil Street Detroit, MI 48235 - Parcel # 22045243

15151 Chippewa Detroit, MI 48235 - Parcel # 22046473

20080 James Couzens Fwy. Detroit, MI 48235 - Parcel # 22019400-8

As discussed the signatures of ALL owners are below and we are requesting that the Alley between these 3 adjacent properties be converted to VACATED as the area is not paved and is just vacant land. Both properties, 15151 Chippewa Detroit, MI 48235 and 20069 Basil Street Detroit, MI 48235 need to have a fenced in gate area established or re-established so this is a very urgent matter amongst all parties as the safety of pets are at risk. We'd like to express our appreciation of urgency in getting this matter resolved. Also attached is a diagram of the layout of the parcels. Please don't hesitate if anything else is needed to contact me, Cathryn at (313) 728-6267. Lastly to avoid any confusion both properties: 15151 Chippewa and 20080 James Couzens Fwy. has the same owner.

Respectfully,

Cathryn Coleman, Owner of C & C Secured Investments, LLC
