The proposed change in property (referred to on the other side of this sheet) would affect our services as follows:

- Not Involved
  
- Involved; but asking you to hold action on this petition until further notice.
  
- Involved; but no objections to the property change.
  
- Involved; but no objections to the property change...provided as easement of the full width of the public right-of-way (street, alley or other public place) is reserved.
  
- Involved; the nature of our services and the estimated costs of removing and/or rerouting such services are:

The installation of outdoor seating does not effect Public Lighting Department (PLD) facilities. In the alley, installation of fire escapes has necessitated the removal of an alley light and pole. The petition process should be approved and the encroachment granted prior to work beginning. The cost to relocate or modify the street light pole should have been charged to the project. The removed street light pole is the property of PLD and should be returned to same.
