The Honorable City Council  
Attn: Office of the City Clerk  
200 Coleman A. Young Municipal Center  
Detroit, Michigan 48226

The Honorable City Council:

This letter signifies my desire to petition the close of a city alley located behind my property and primary residence at 3138 Rosa Parks Blvd. Detroit Michigan. The alley location specifically is the first alley east of Rosa Parks Blvd and south off of Ash St. I am petitioning for immediate closure so that I can proceed with plans to build a garage and install fencing. The closure will allow me to construct the garage and fence which will provide safety from on-going vehicle theft and will also alleviate dumping problems and concerns. My neighbors to the south and south east adjacencies have signed the appropriate documentation in support of the closure (in fact they already thought the alley was closed). Additionally I own the property east of the alley and there are no other adjacent land or homeowners to the proposed closure. It is important to note that the adjacent alleys to this one have already been closed and this is the final piece. Due diligence has been performed in regards to overhead and underground utilities. Overhead utilities lie outside of the desired closure and underground utilities are not present. I look forward to the opportunity to work with the Honorable City Council on this matter and thank you in advance for your time.

Sincerely,

Jeff Klein
