**EXOTIC CAR COMPANY**

14500 W. 7 Mile Rd.

Detroit, MI 48235

(313) 345-1000

October 19 2015

I am the owner of Exotic Cars a used car and collision services shop. I acquired this business establishment a little over two years ago at which time the alley behind the place of business was already fenced off prior to my purchase. It was not made know to me at the time of purchase that a petition had been filed giving permission to fence of alley behind my business.

Several weeks ago my business was issued a ticked and was told it was in violations to maintain fencing to the alley behind my business. I was later told that a petition was previously failed to close off the alley and permission was granted.

Therefore, I am writing to submit a petition for the above mentioned to the Honorable Detroit City Council to maintain closure of the alley behind the of Exotic Cars business, located at 14500 W. 7 mile Detroit MI 48235 effective immediately or as soon thereafter.

After closely observing the traffic and business of this area, I find that Exotic Cars needs this alley to remain closed because by opening it up will create a theft hazard to the shop, safety hazard to the customers, and also a safety hazard to the adjoining residents.

There was a previous petition granted for this matter by the Honorable City Council that was valid for 5 years. Therefore, I am requesting that Exotic cars also be granted the same valid closure to the alley mentioned above as the previous owners.
