Honorable City Council:

Re: Petition No. 889. Warren Ave. Partners LLC., request to vacate alley located behind 17901-17931 E. Warren Ave. Parcel numbers: 21003029, 21003030 and 21003031-6.

Petition No. 889 – Warren Avenue Partners LLC, request to vacate and convert to easement the east west public alley, 20 feet wide, first north of East Warren Avenue in the block of East Warren Avenue, 105 feet wide, Frankfurt Avenue, 50 feet wide, Lodewyck Avenue, 60 feet wide and Farmbrook Avenue, 60 feet wide.

This request is being made to consolidate the owner's property, and to provide security.

The petition was referred to the City Engineering Division – DPW for investigation (utility review) and report. This is our report.

The request was approved by the Solid Waste Division – DPW, and Traffic Engineering Division – DPW.

Public Lighting Department (PLD) reports that they need 24-hour unimpeded heavy truck access. A provision for the required PLD access is included in the resolution

Detroit Water and Sewerage Department (DWSD) has no objection to the conversion to easement. The specific DWSD provisions for easements are included in the resolution.

All other involved City Departments, including, Public Lighting Authority and privately owned utility companies have reported no objections to the conversion of the public right-of-way into a private easement for public utilities. Provisions protecting utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,

Richard Doherty, P.E., City Engineer
City Engineering Division – DPW
