RE: Petition #911 Dated: 12/17/15

The proposed change in property referred to would affect our services as follows:

- Not involved, no gas involved, and no objections.
- Involved but withholding action on petition until further notice.
- Involved but have no objection to the property change, provided that an easement of the full width of of the street/alley is reserved as shown. **See Remarks!**
- Involved – nature of services and estimated cost of removing or rerouting such services are:

REMARKS:

Involved but have no objections to the property change, provided that easements the full width of the alley North of W. Warren Avenue is reserved for utility easements. Reason being is that, DTE Energy has an existing Gas Service Line (1 1/4"-PLA-2#) that runs East and West in the aforementioned alley. Otherwise, contact DTE Gas Company Public Improvement Department: Michael Fedele at 313-389-7211 (Supervisor) or Laura Forrester at 313-389-7261 (Gas Planner), for the estimated cost of our services in abandoning/removing/ and/or relocating/rerouting, including the survey, design and drawing of our utilities. See enclosed strip prints for your use and information.

Please abide by Public Act 53, three (3) working days before you dig, dial toll free MISS DIG at: 1 – 800 – 482 – 7171.
