Mr. Williams,

Thank you for following up on this and for your telephone call last week. I checked my email history and noted an email sent August 9 2016. As I indicated to you by phone, I have had some trouble with that email address and it certainly wasn't my intention to delay our withdrawal. I'm sorry for the delay in the process. Thank you also for forwarding the results of the circulation to utilities. Should we wish to proceed on this again in the future, that will be useful information.

In any case: On behalf of Detroit Apartment Corp. please consider this as our direction to close / retract our petition # 917.

Again, thank you for your assistance in the process....could I ask you to send a quick response so I know you received it this time?

Regards,

Dan Weagant

Good morning Mr. Weagant:

Back in August 2016, you have mention to me about "canceling" your Petition request due to the cost of your project. I then told you that I needed a written e-mail response notifying the City of your cancellation. As of today, September 22, 2016 we have not received your written cancellation.

Can you please respond to this e-mail with your intentions on Petition #917?

P.S.

All of the Utilities has responded to your request and the only Utility Co. that has an objection is DTE.

Sincerely
