Good afternoon Nasser:

Per your conversation with my supervisor - Mr. McCrary this afternoon, attached is the property owners information. Remember we will need from you "letters of support" from the abutting property owners (see attachment). If you cannot get in contact with the abutting property owners, you can mail a certified letter to those owners. If it comes back marked *Return to Sender*, then show us those returned letters and that will satisfy our requirements and then I can finish your Petition request. If you have any more questions, please let me know.

Sincerely
