DPW - CITY ENGINEERING DIVISION

1029 *Detroit Salt Company, request to vacate a small strip of land located off Oakwood Blvd. between Sanders and Pleasant Ave. It is between parcel #20016079 and #20016078.*

March 8, 2016

Ms. Janice Winfrey
Detroit City Clerk
2 Woodward Avenue, Ste 200
CAYMC
Detroit, MI 48226

Dear Ms. Winfrey,

This letter is written to request to have a City of Detroit right of way vacated in Southwest Detroit. The area is a small strip of land off Oakwood Blvd between Sanders and Pleasant Ave. It is between parcel # 20016079 and 20016078 and is highlighted on the attached map.

In June of 2015, The Detroit Salt Company (DSC) requested four contiguous parcels be combined to one Tax Identification number (the four parcels are identified on the attached map). DSC received a call from Jered Dean at the Tax Assessors office on February 26, 2016 informing us that in order to combine these parcels, this right of way must be vacated.

This small piece of land is between two parcels owned by DSC. DSC has taken full responsibility for it over the past years, keeping it maintained. We are available to meet with the City Engineer or other City of Detroit officials as soon as possible to discuss this matter.

If you have any questions or concerns, please contact Anna Fishman at 313-841-5144. Thank you for your consideration of our request.

Sincerely,

E. Z. Manos
President
Detroit Salt Company
