Honorable City Council:

**Re: Petition No. 1065 – Theresa A. Norman request an easement at 2315 Orleans St.
Detroit, MI 48207**

Petition No. 1065 – Theresa A. Norman., request to vacate and convert to easement all remaining alleys in the Block of Jay Street, 50 feet wide, Orleans Street, 50 feet wide and Gratiot Avenue, 120 feet wide.

This request is being made to provide security, and to prevent thru traffic that uses the alley to gain access to Gratiot Avenue from Orleans Street.

The petition was referred to the City Engineering Division – DPW for investigation (utility review) and report. This is our report.

The request was approved by the Solid Waste Division – DPW, and Traffic Engineering Division – DPW.

Public Lighting Department (PLD) and Public Lighting Authority (PLA) report no involvement.

Detroit Water and Sewerage Department (DWSD) has no objection to the conversion to easement. The specific DWSD provisions for easements are included in the resolution.

All other involved City Departments, and privately owned utility companies have reported no objections to the conversion of the public right-of-way into a private easement for public utilities. Provisions protecting utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,

Richard Doherty, P.E., City Engineer
City Engineering Division – DPW
