Dear Sir/Madam:

On Your Fork, LLC is the owner of the property located at 2977 and 2987 Franklin Street, which we are in the process of rehabilitating into a mixed-use project. We have petitioned the City of Detroit for the vacation of the east/west alley between Woodbridge and Franklin, westward from McDougall to the separate north/south alley that parallels Jos Campau behind the Garden Court parking garage and parking lot which front on Jos Campau, being Petition No. 1094 (see attached drawing). All of the various public utilities have consented to the vacation. The easterly 102 feet nearest McDougall will be completely vacated and the balance of the alley will be converted to a DTE easement, as they have power poles located in that portion of the alley which service all of the adjoining properties and cannot give up their easement rights. The 1/2 of the vacated alley adjacent to your property will become your private property, except that you cannot build on the former ROW.

We have been working with the City of Detroit for a year now on this project. We ask that you consent to this vacation where indicated below to allow us to move forward with the alley vacation process. I have enclosed a copy of this letter and a self-addressed, stamped envelope to your signature and mailing. Thank you for your consideration of this request.

Sincerely,

On Your Fork, LLC, a Michigan  
limited liability company
