TO: Richard Doherty, City Engineer
City Engineering/Department of Public Works

FROM: Debra Singleton, Engineer
Detroit Water and Sewerage Department

DATE: August 18, 2016

RE: Petition No. 1099
Request to Outright Vacate the East/West and the North/South Public Alleys in
the Block Bound by Clifford, Henry St., Park Ave. and Fisher Freeway Service
Drive

The Detroit Water and Sewerage Department (DWSD) is in receipt of the subject petition. DWSD has water and/or sewer lines located within the area requested to be outright vacated. The vacation request will be denied unless at least all the following conditions are met:

- Petitioner prepares a relocation plan for DWSD utilities, signed by a Registered Engineer
- DWSD approves the relocation plan
- Petitioner grants DWSD a satisfactory easement
- The Petitioner is to bear the entire cost of the proposed plan, including construction, demolition, permitting, inspection, survey, etc.

The entire work is to be performed in accordance with DWSD specifications and standards. Deposit with DWSD, in advance, the whole amount necessary to cover the costs of permits and inspection.

It is imperative for the Petitioner to contact the DWSD Permits Section directly to discuss this petition. If you have any questions, please feel free to call me at (313) 267-8309 or Mohamed Boudali at (313) 964-9236.

Sincerely,

Debra Singleton
Engineer
Permits Section

Detroit Water & Sewerage Department
Provisions for Relocation Due to Vacation for Petition No 1099

Provided that the petitioner shall design and construct proposed sewers and to make the connections to the existing public sewers as required by the Detroit Water and Sewerage Department (DWSD) prior to construction of the proposed sewers,

Provided that the plans for the sewers shall be prepared by a registered engineer; and further

Provided that DWSD be and is hereby authorized to review the drawings for the proposed sewers and to issue permits for the construction of the sewers, and further

Provided that the entire work is to be performed in accordance with plans and specifications approved by DWSD and constructed under the inspection and approval of DWSD; and further

Provided that the entire cost of the proposed sewers construction, including inspection, survey and engineering shall be borne by the petitioner; and further

Provided that the petitioner shall deposit with DWSD, in advance of engineering, inspection and survey, such amounts as the department deems necessary to cover the costs of these services; and further

Provided that the petitioner shall grant to the City a satisfactory easement for the sewers; and further

Provided that the Board of Water Commissioners shall accept and execute the easement grant on behalf of the City; and further

Provided, that the petitioner shall provide DWSD with as -built drawings on the proposed sewers; and further

Provided that the petitioner shall provide a one (1) year warranty for the proposed sewers; and further

Provided that upon satisfactory completion, the sewers shall become City property and become part of the City system. And any existing sewers that were abandoned shall belong to the petitioner and will no longer be the responsibility of the City.
