This is re: Petition 1165.

I am "OPPOSED" to the closing of alley. This business was processed under "M" never should have been in this area the code is "B2/B4". There was an ongoing hearing/argument with Council re: & concerning this matter, back in the day, being opposed to this business being allowed to exist in the first place under Coleman Young during hauling for Ford Motor Co. Which at that time they were told "Pleasant St" would have been where this business should "HAVE BEEN ESTABLISHED"!!! They had a "BAD FIRE" doing that time that was a "TREAT" to residence in this area! AGAIN, I AM "OPPOSED" TO CLOSING OFF OF THIS ALLEY & BRINGING PROPERTY "LINE CLOSER TO RESIDENTIAL PROPERTY LINE"!!! PLUS NOBODY & I MEAN NOBODY BUT MYSELF HAVE PAID "OUT-OF-POCKET" IN KEEPING & MAINTAINING THE GRASS CUTTING OF THIS ALLEY SINCE THE MCFADDEN'S ABANDONED THIS PROPERTY OVER 10 YEARS AGO!!!
