Honorable City Council:

Re: Petition No. 1165, Mike Fisher, request to combine and vacate the alley located at 2437 S. Schaefer Hwy. Detroit, MI 48237

Petition No. 1165 – Mike Fisher request to vacate and convert to easement the east-west public alley, 20 feet wide in the block of Schaefer Highway, 120 feet wide, Toronto Avenue, 60 feet wide, Annabelle Avenue, 60 feet wide and Beatrice Avenue, 60 feet wide.

This request is being made to enhance the security at 2437 S. Schaefer Hwy. and the security of the neighborhood.

The petition was referred to the City Engineering Division – DPW for investigation (utility review) and report. This is our report.

The petition has the support of the adjoining owner on Annabelle Avenue. The adjoining owner at 1624 S. Beatrice is opposed to the closing of the alley because of the zoning; and feels the closure would bring the commercial property line closer to the residential property. She states that she has maintained the alley adjoining her property. The objecting party is:

Gloria D. Davis Telephone No. (313) 842-0392
1624 S. Beatrice
Detroit, MI

DPW – City Engineering will inform Gloria D. Davis when this report leaves our office; and we will give her the City Clerk's office contact information so that she may voice her objection at the appropriate time.

The request was approved by the Solid Waste Division – DPW, and Traffic Engineering Division – DPW.

Detroit Water and Sewerage Department (DWSD) has no objection to the conversion to easement. The specific DWSD provisions for easements are included in the resolution.

All other involved City Departments, including, Public Lighting Authority and Public Lighting Department, also privately owned utility companies have reported no objections to the conversion of the public right-of-way into a private easement for public utilities. Provisions protecting utility installations are part of the attached resolution.

This resolution to vacate and convert to easement the public alley is offered for your consideration.

Respectfully submitted,
