DPW - CITY ENGINEERING DIVISION

1184 *Sebastian Hernandez, request part of the alley between Lane St. and Avis St. running parallel to Elsmere and Woodmere.*

1683-81 Elsmere Detroit Mi 48209

May 25, 2016

To whom it may concerned:

By this present I would like to request partial part of the alley between Lane St. and Avis St., running parallel to Elsmere and Woodmere, the request is between the middle of the mentioned alley, due to there are no properties around this area except at the entrance and the exit of this alley. I have talk to two of the three neighbors and they agree with this potential closing. We have issues with cars passing with maximum speed and taking no precaution of their surroundings. This alley serves as an escape route for people who are doing drive-by shooting and a hiding place for robbers who are being looked for. We have had couple times where police officers have looked through our backyards in search of these people. At late hours at night people get together and what seems to be dealing with drugs causing additional danger to our young family members and neighbors. This alley also has unwanted material and trash from random people passing by. Including needles, knives, flammable material and other hazardous substances. If this alley were to be close there will be a healthier, safer environment for those living around it.

If you have any question please feel free to contact me at (248) 392-7644.

Thank you.

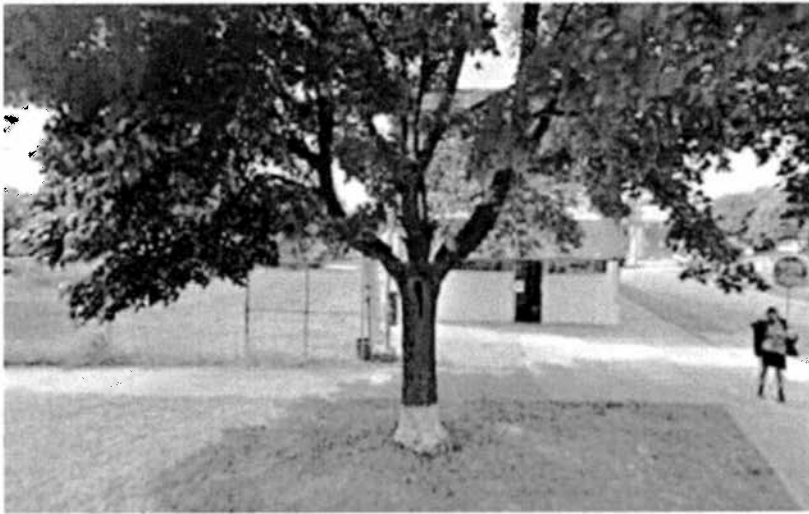

Attentively,

Sebastian Hernandez
