Re: Vacation of Easement for Traffic Signal (Previous Petition 789 Passed July 26, 2011)

The Honorable City Council:

On behalf of Marathon Petroleum Company LP, we are petitioning the City of Detroit to vacate an easement previously approved by City Council on July 26, 2011. The easement was for a traffic signal to be installed at the intersection of Oakwood and Pleasant.

The signal has now been removed as there is no need for it due to the vacation of Oakwood approved by City Council on October 28, 2014. The roadway has been closed to public use and therefore there is no need to maintain this easement.

A copy of the City Council Resolution dated July 26, 2011 we are requesting to be vacated is attached.

Respectfully Submitted,
