

**January 29, 2018**

**Honorable City Council**

**Re: Petition 1259 – Item #1 on January 29, 2018 Public Health & Safety Agenda –  
Request by SAAD Wholesale Meats to Vacate the Public Right of Way, at the  
Alley bounded by Orleans, St. Aubin, Alfred, and Wilkins**

---

The Department of Public Works is respectfully requesting that this item be permanently removed from Your Honorable Body's agenda.

On October 17, 2017, the DPW submitted a report for Council to consider the vacation of the above referenced alley. The report noted an objection of one abutting property owner, Lycaste Properties, and detailed that all city agencies and impacted utilities had no objection to the alley closure.

On October 31, 2017 Council approved the petition to vacate this alley with required easements. The Department of Public Works acknowledges that the action by Council is final, and the Department is not requesting a reconsideration of that action.

Respectfully Submitted,

Ron Brundidge, Director  
Department of Public Works

CC: Stephanie Washington, Mayor's Office  
Richard Doherty, DPW
