Keith, Walter,

This morning Ashok and I met with Deidre Clein and Vionna Adams of Giffels and Webster to discuss petition 1292. TED is ok to allow to partially vacate the east-west alley bounded by W. Fort Street, Rosa Parks Boulevard, W. Lafayette Boulevard, and 10th Street as requested considering that this alley has previously been fenced off and does not connect to Rosa Parks even currently. We will however need sign off from all other abutting property owners as usual.

Let me know if you have any more questions.

Meena

Walter Williams - Petition 1292

Subject: Petition 1292

Walter,

We are requesting a revision to the language of Petition 1292. After speaking with DTE, we were made aware that the surface of the alley cannot be vacated due to existing above ground electrical utilities that cannot be removed. We would like adjust the request so as to vacate the alley but retain an easement for all utilities, above and below ground.

Please let me know if this will be problematic in any way.

Thank you!
