After many discussions with the current property owners and a negative consensus, I have decided to cancel petition to close the alleys.

Good afternoon Mr. Peters:

Attached are the "Property Owners" information that you need consent from in order to closed your alley. You will need to submit their consent via a written letter or in a petition format.

Remember, we need the consent letters from ALL of the abutting property owners to support the change before we can finish this process. If you cannot get in contact with the abutting property owners, you can mail a certified letter to those owners address. If it comes back marked "Return to Sender", then show us those returned letters and that will satisfy our requirements and then I can finish your Petition request.

Once you have the information, you can scan them and e-mail them back to me or you can drop them off at my office. My address is:

200 Coleman A. Young Municipal Center  
Detroit, MI. 48226

Room 642

If you have any questions, please contact me.
