Last month, I've contacted you concerning this Petition. You told me at the time that you wanted to "CANCELED" your Petition request due to lack of consent from the abutting property owners. Can you please respond to this email that you still want to canceled your Petition request. If you have any questions, please contact me.

Good morning Mr. Elghandour:
Attached is the "Abutting Property Owner" contact information that you need consent from in order to closed your alley (this parcel was from Detroit Land Bank however it was sold to this owner). You will need to submit their consent via a written letter or in a petition format. If you have any questions, please contact me.

Good afternoon Mr. Elghandour:

Attached are the "Abutting Property Owners" contact information that you need consent from in order to closed your alley (see attachment highlighted in green and yellow). You will need to submit their consent via a written letter or in a petition format.

Remember, we need the consent letters from **ALL** of the abutting property owners to support the change before we can finish this process. If you cannot get in contact with the abutting property owners via regular mail, you can mail a certified letter to those owners address. If it comes back marked "Return to Sender", then show us those returned letters and that will satisfy our requirements and then I can finish your Petition request. The Property Owners Information are the address that you will send your request too (see cloud markup for location in the attachment).

Once you have the information, you can scan them and e-mail them back to me or you can drop them off at my office. My address is:
200 Coleman A. Young Municipal Center
Detroit, MI. 48226
Room 642
If you have any questions, please contact me.
