RE: Petition No. 1583 - by “First Pilgrim Guide MBC”, request to Conversion to Easement the north portion of the north/south public alley, in the block bound by Richton, Woodrow Wilson, Monterey Ave. and Rosa Parks Blvd.

Dear Taxpayer of record,

This is to inform you that DPW – City Engineering Division has completed their investigation into the above referenced petition. Your property at 1627 Richton Ave. is adjacent to the subject north alley. This letter is for your information.

We are submitting a resolution granting the request without recommendation for approval, but for consideration by Detroit City Council. The next part of the City process for closure will be for an introductory letter and resolution to be forwarded to our DPW Directors office, then forwarded to the Mayor’s office, and finally to the City Clerk’s office. This should take place within 5 to 7 days.

The City Clerk’s office - Suite 200, Coleman A. Young Municipal Center, 2 Woodward Avenue, Detroit, MI, 48226 and phone number (313) 224-3260 will be the point of contact for the petition from this point on.

Once the Clerk’s office receives the resolution it will be placed on the Public Health and Safety Committee’s agenda. (Council Member Scott Benson, Chairperson)

The committee will review the matter and decide whether to move it forward to the Committee of the Whole - Formal City Council session, or take some other action. The City Council, at their formal session, can vacate the alleys in this block.

Please feel free to contact our office to speak to myself or Mr. Keith McCrary, Supervisor of Maps and Records. Phone (313) 224-3970

Sincerely,

Walter L. Williams
