Petitioner,

RE: Petition No. x1590

Petition No. x1590 1145 ODM Parking Properties, LLC, request to vacate part of the alley bounded by Temple Street, Clifford Street, Park Avenue, and vacated Sproat Street.

The petition was referred to the City Engineering Division – DPW for investigation (utility review) and report. This is our report.

The review of petition x1590 has concluded that the current proposal does not coordinate with the approved petition to vacate Sproat Street. It is advised that the petitioner contact the Department of Public Works: Maps and Records Office for a planning consultation on how to proceed with the petitioners objectives.

The Department of Public Works, City Engineering Division <u>denies</u> this petition request. Please receive and file this report for you reference.

Respectfully submitted,

Richard Doherty, City Engineer City Engineering Division – DPW
