05 MAY 17

Honorable Detroit City Council
C/o Detroit City Clerk
2 Woodward Avenue
200 Coleman A. Young Municipal Center
Detroit, Michigan 48226

RE: Request for Alley Right-of-Way Vacations in the Area of Cass Avenue, Temple Street, Park Avenue, and Sproat Street.

ODM Parking, LLC, 2211 Woodward Avenue, Detroit, Michigan, 48201, respectfully requests that the City of Detroit vacate the following public right-of-ways in the block bounded by Cass Avenue, Temple Street, Park Avenue, and Sproat Street, described as:

- Outright vacation of the north-south alley (15 feet wide) first west of Park Avenue, excluding the southern 62.18 feet (no retained public utility easement);
- Vacation of the public right-of-way over the southern 62.18 feet of the north-south alley (15 feet wide) first west of Park Avenue with an easement retained for subsurface public utilities;
- Outright vacation of the north-south alley (15 feet wide) first east of Cass Avenue (no retained public utility easement), excluding the southern 100.27 feet;
- Outright vacation of the east-west alley (20 feet wide) (no retained public utility easement);

To avoid the creation of a dead-end alley upon the vacation of all but the southern 100.27 feet of the north-south alley first east of Cass Avenue, ODM Parking agrees to grant a vehicular turnaround easement over a 15 foot by 20 foot area adjacent to the east right-of-way line of the north-south alley first east of Cass Avenue, located 100.27 feet north of the Sproat Street right-of-way.

Limits of the requested vacations and dedications can be found in the attachment, enclosed herein.

Brian Ellison of Intersection Consulting Group has been asked to facilitate the requested vacations. He will be working with the City of Detroit's Department of Public Works – City Engineering Division, utility providers, and other stakeholders to achieve vacations that are satisfactory to all interested parties.
