Honorable City Council:

RE: Petition No. 1644 — Angel Roberson request to vacate an alley located on Santa Barbara through Pennington Street.

Petition No. 1644 — Angel Roberson request to vacate and convert to easement the west ½ of the east-west public alley, 16 feet wide, in the block bounded by Thatcher Avenue, 50 feet wide, Curtis Avenue, 66 feet wide, Santa Barbara Avenue, 75 feet wide and Pennington Avenue, 75 feet wide.

The petition was referred to the City Engineering Division – DPW for investigation (utility review) and report. This is our report.

The request is being made in order to close off an unused alley in the block and for the resident's security.

The request was approved by the Solid Waste Division – DPW, and Traffic Engineering Division – DPW, and City Engineering - DPW.

Detroit Water and Sewerage Department (DWSD) has no objection to the conversion to easement. The specific DWSD provisions for easements are included in the resolution.

All other involved City Departments, and privately owned utility companies have reported no objections to the conversion of the public right-of-way into a private easement for public utilities. Provisions protecting utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,

Richard Doherty, P.E., City Engineer
City Engineering Division – DPW
