Hi Walter,

I spoke with ownership yesterday. Per your recommendation, I am going to cancel the existing permit and resubmit (as this is the more efficient method for approval). I will have the request letter to you shortly.

Best,
Brian

Subject: Drawing request

Hey Walter,

Would City Engineering have the drawings for the ROW on John R between Woodward and Broadway? Working on an issue with Sunny in traffic, and I want to do a mark-up for a valet proposal that's kicking around.

Thanks!

Best,
Brian
