Walter,

We have corrected the Encroachment Exhibit to maintain 6' walkways in all areas, per the comments received from DPW (made by Pamela Lemme).

Please see the attached & re-distribute as necessary to continue the review process. Dave will bring hard copies as soon as possible for you.

Thank you,

Breanna Anderson

Hi Walter,

The Police objected to the sidewalk cafe part of this petition. In discussion at the Bedrock meeting, Mike Twyman stated that since it is a coffeehouse-pastry shop and they were not serving outdoors, but would like to set out some tables and chairs for their customers He would not require them to get the sidewalk cafe permit for the tables and chairs. The revised petition is now for only the above grade encroachments, which should solve the Police objection.
