Hello Walter,

Sorry for the delayed response. At this time, we have decided to withdraw our current application for closure of Coe Street in the West Village neighborhood. I understand that if we would like to revisit this proposal in the future, we will have to submit an new application at that time. Thank you for your time in this matter.

Regards,

Marc Mathews

Good afternoon Mr. Mathews:

I left you a V.M. this afternoon. A few weeks ago, I emailed you concerning the status of getting consent letter from the abutting property owner. Can you provide the consent letters from the abutting property owners ASAP?

Because it normally takes between four to six months for the Petition process to be completed, its has been over a year since the process has started. Please provide the information so your Petition request would not be subject to closure.

Good morning Mr. Mathews:

Just checking in to see if you address Planning and Development Department concerns on their comments involved OBJECTION and consent letter from the abutting property owner?

Good afternoon Mrs. Webb-Dickson:

Just to let you know that all of the fifteen Utilities company responses has come in. Fourteen of them came in with no objection. However, Planning and Development Department has comment involved "OBJECTION". If you have any further questions, please contact the Utility for further information. I am still waiting on the consent letter from the abutting property owner in order to complete your Petition request.

One more thing..

In case you did not know, once the Petition process is completed, you will retain 1/2 of the R.O.W. The other half will go to the abutting property owner.

Please reply to this email so I can send off your Petition request.

Good morning Mrs. Webb-Dickson:

Per our conversation this morning, attached is the "Abutting Property Owner" information that you need written consent from in order to closed your street (see attachment). You will need to submit their consent via a written letter or in a petition format.

Remember, we need the consent letters from the abutting property owners to support the change before we can finish this process. If you cannot get in contact with the abutting property owners via regular mail, you can mail a certified letter to those owners address. If it comes back marked "Return to Sender", then show us those returned letters and that will satisfy our requirements and then I can finish your Petition request. The Property Owners Information are the address that you will send your request too.

Once you have the information, you can scan them and e-mail them back to me or you can drop them off at my office. My address is:

200 Coleman A. Young Municipal Center
Detroit, MI. 48226
Room 642

If you have any questions, please contact me.

Sincerely
