RE: Giffels Webster - Request to vacate a series of public alleys and street Rights-of-Way within and adjacent to Woodward, Monroe, Farmer, Bates and Cadillac Square in the City of Detroit, Michigan.

Giffels Webster, 28 W. Adams, Suite 1200, Detroit, Michigan 48226 on behalf of Bedrock Detroit, 630 Woodward Ave., Detroit, Michigan, 48226 respectfully requests to vacate the following portions of the City of Detroit Rights-of-Way:

Vacate (outright) all the public alleys in the block bounded by Woodward Avenue (variable width), Monroe Street (120 feet wide), Randolph (variable width), Bates Street (60 feet wide) and Cadillac Square (200 feet wide) except the eastern 101.3 feet of the southernmost alley 100.0 feet north and parallel with Cadillac Square.

Vacation with reservation for existing utilities of the eastern 101.3 feet of the southernmost alley 100.0 feet north and parallel with Cadillac Square, in the block bound by Woodward, Monroe, Farmer and Bates.

Vacate (outright) Farmer Street (60 feet wide), while maintaining a centered 20 feet wide pedestrian and emergency vehicle access easement from grade to 13.5 feet above grade between Monroe and Bates.

Vacate (outright) below grade and above grade starting 8 feet above grade and permanent easement for support columns to penetrate between below grade and above grade outright vacation areas the east 10 feet of Monroe between Woodward and Randolph, the east 10 feet of Woodward between Monroe and Cadillac Square, the north 10 feet of Cadillac Square between Woodward and 101.3 west of Bates, and the west 10 feet of Bates between 120 feet north of Cadillac Square and Randolph.

Vacate (outright) below grade or a permanent easement starting 3 feet below grade extending 20 feet below grade for the eastern 70 feet of Monroe 19.6 feet north of Farmer extending 31.2 feet North.

The requested vacations are a critical part of the Monroe Block re-development project. We have begun engaging with the affected utility providers to relocate and/or abandon their facilities to support these Rights-of-Way modifications.
