Petitioner,

RE: Petition No. x1822

Petition No. x1822 of Giffels Webster's request to encroach in various locations in the area bound by St. Jean Avenue, Freud Avenue, St. Clair Avenue, and E. Jefferson Avenue.

The petition was referred to the City Engineering Division – DPW for investigation (utility review) and report. This is our report.

The review of petition x1822 has determined the minimum criteria to approve this request has not been met. This petition was submit in relation to a community project to construct a new storm water detention system. The review of this petition resulted in an objection from DTE Energy due to various assets that would require to be relocated to conform to the storm water detention system plan. However, no proof of resolution has been provided by the petitioner regarding the objection issued by DTE. This petition has surpassed the allowed length of time to resolve issues related to this petition.

The Department of Public Works, City Engineering Division **denies** this petition request. Please receive and file this report for you reference.

Respectfully submitted,

Richard Doherty, City Engineer
City Engineering Division – DPW
