PROVISIONS FOR CONVERSION TO EASEMENT

1. An easement, the full width of the existing right of way, is reserved for the Detroit Water and Sewerage Department for the purpose of installing, maintaining, repairing, removing, or replacing any sewers, water mains, fire hydrants and appurtenances, with the right of ingress and egress at any time to, and over said easement for the purpose above set forth.

Free and easy access to the sewers, water mains, fire hydrants and manholes and structures within the easement is required for Detroit Water and Sewerage Department equipment, including the use of backhoes, bull dozers, cranes or pipe trucks, and other heavy construction equipment, as necessary for the alteration or repair of the sewer or water main facilities.

The Detroit Water and Sewerage Department retains the right to install suitable permanent main location guide posts over its water mains at reasonable intervals and at points of deflection.

- 2. Said owners of the adjoining property, for themselves, their heirs and assigns, agree that no building or structure of any nature whatsoever, including fences, porches, patios, balconies, etc., shall be built upon or over said easement, or that no grade changes or storage of materials shall be made within said easement without prior written approval and agreement with the Detroit Water and Sewerage Department.
- 3. If at any time in the future, the owners of any lots abutting on said conversion to easement shall request the removal and/or relocation of the aforementioned utilities in said easement, such owners shall pay all costs incident to such removal and/or relocation. It is further provided that if sewers, water mains, and/or appurtenances in said easement shall break or be damaged as a result of any action on the part of the owner, or assigns, then in such event, the owner or assigns shall be liable for all costs incident to the repair of such broken or damaged sewers and water mains, and shall also be liable for all claims for damages resulting from his action.

These provisions shall be made part of the City Council's Vacating Resolution.

DETROIT COMMUNITY OUTREACH

P.O. Box 06650, Detroit, MI 48206

November 3, 2017

The Honorable City Council Attn: Office of the City Clerk 200 Coleman A. Young Municipal Center Detroit, MI 48226

RE: Petition for Conversion to Easement

Detroit Community Outreach, a Michigan 501(c)(3) corporation, and owner of the property located at

3726 Glynn Court Detroit, MI 48206

submits this Petition to request a Conversion to Easement of the westerly 8 feet of the north public alley immediately adjacent to the above property along its east boundary.

We respectfully request action on this Petition as soon as may be possible.

We submit this Petition for security purposes to protect the east side of our building. This area gets significant foot traffic passing very close to the building, and as a result, there have been multiple incidents of broken windows on that side. If our Petition is granted, we plan to extend a chair link fence (that currently runs along the back of the property) down the center of the alley toward the front of the property to prevent passers-by from walking right up to the building.

Attached to this letter are the following documents:

- 1) A copy of the Deed as proof of ownership of the above property;
- 2) An aerial photograph of the building, adjacent alley, and surrounding area.

If any further information or documentation is required, we will gladly provide it in as timely a manner as possible. Thank you for your kind attention in this matter.

Şingerely,

David J. O'Connor Corporate Secretary

Subject: Re: Petition #1831 - Questions

Mr. Williams,

Thank you for contacting me about the Petition of Detroit Community Outreach to have the side alley closed that is adjacent to our property located at 3726 Glynn Court, Detroit.

I understand from our conversation that, going forward, the Petition will be amended to request a closure of the whole alley (that is, the entire width of the alley rather than just half the width) from Glynn Court to the back line of our property, which coincides with the south edge of the rear alley. If said closure is possible, that would be exactly what our organization desires. And this is for the purpose of increased security. We do not wish or intend to build any structure on the alley; we only wish to erect a security fence on that side of our property.

If you have any further questions, or need any other information, please do not hesitate to contact me again.

Thank you, Dave O'Connor
