Re: Petition Request for:

1. E-W Alley, 5 Years Extension for Temporarily Close the alley (Petition # 2224).
2. N-S Alley, (by McDonalds), Permeant Closing & holding.

Dear Mr. Knoll,

Further to our meetings at the BSEED, about two weeks ago on several issues, including the above references, please be advised the following

1. XLNC INVEST LLC is the owner of the Subjected properties.
2. We keep investing at the wellbeing of our Detroit residents on those properties as on others, are happy to create better standards of leaving as well ad dozens of jobs for our employees and sub constructors, mutually making it come through.
3. As you can see at the attached pictures & Google Maps photos, both alleys are not in use for years while the N-S, by McDonalds has been fenced permanently Years ago.
4. We have approached the managers on sites of the McDonalds, mentioned that we are about to submit this Petition with regard to the alley, asking for permanent close and holding and were told verbally that the owner has no interest what so ever with this alley and never had.
5. Therefore, we are asking the Honorable City Council to approve both our above requests
 - a. E-W Alley, 5 Years Extension for Temporarily Close the alley (Petition # 2224).
 - b. N-S Alley, (by McDonalds), Permeant Closing & holding.

Best regards,

Yossi Levy, Owner,
