etroit, 48205, is petitioning
ers to Celestine on the
easement. Most of the
alleyway is already abandoned unofficially, this would make the current reality official. We have been assured that the conversion would not increase property taxes. The space would become the responsibility of the adjacent landowners, although access for sewer and utility lines running through the stretch must continue to be made available. The agreement requires that no building or structures other than "necessary line fences" be placed on the property, otherwise it is available for the use of the landowners. If you have any questions about this request or desire further information, you may call the Church Office at (313) 527-3366 or my personal number (810)887-0363, the personal number would likely be the quickest response.

We are asking that you sign and date the agreement below and mail it back to us in the enclosed envelope.
