Hello Mr. McCrary,

Mr. Walter Williams shared your email address with me. Corktown Housing has a pending request for the vacation of Right of Way in North Corktown, Petition #146. We would like to cancel that petition. We will instead be working with the BZA to request a dimensional variance.

Please advise on whether there are any other steps that I need to take in order to cancel petition #146.

Thank you for your assistance,

Kate
