RE:

Petition No. 147

Request to Outright Vacate a Portion Of the North/South Alley And To Dedication Of Parcel 12 For Use As An East/West Alley In The Block Bound by Hendricks, Dubois,

Hunt And Chene

The Detroit Water and Sewerage Department (DWSD) is in receipt of the subject petition. DWSD has water mains and sewers located within the areas requested for outright vacations. DWSD has no objections to the revised outright vacation petition (with the provided DWSD easement), nor to the requested dedication of parcel 12 as an east/west alley.

If you have any questions, please feel free to call me at (313) 267-8309 or Mohammed Fa Siddique at (313) 964-9245.

Sincerely,

Debra Singleton

Engineer

JOB NO. 01-01

DRWG. NO. X 147

Detroit Water & Sewerage Department Provisions for Relocation Due to Vacation for Petition No. 147

Provided that the petitioner shall design and construct proposed sewers and or water mains plus make the connections to the existing public sewers and or water mains as required by the Detroit Water and Sewerage Department (DWSD) prior to construction of the proposed sewers and or water mains.

Provided that the plans for the sewers and or water mains shall be prepared by a registered engineer; and further

Provided that DWSD be and is hereby authorized to review the drawings for the proposed sewers and or water mains and to issue permits for the construction of the sewers and or water mains, and further

Provided that the entire work is to be performed in accordance with plans and specifications approved by DWSD and constructed under the inspection and approval of DWSD; and further

Provided that the entire cost of the proposed sewers and or water mains construction, including inspection, survey and engineering shall be borne by the petitioner; and further

Provided that the petitioner shall deposit with DWSD, in advance of engineering, inspection and survey, such amounts as the department deems necessary to cover the costs of these services; and further

Provided that the petitioner shall grant to the City a satisfactory easement for the sewers and or water mains; and further

Provided that the Board of Water Commissioners shall accept and execute the easement grant on behalf of the City; and further

Provided, that the petitioner shall provide DWSD with as -built drawings on the proposed sewers and or water mains; and further

Provided that the petitioner shall provide a one (1) year warranty for the proposed sewers and or water mains; and further

Provided that upon satisfactory completion, the sewers and or water mains shall become City property and become part of the City system. And any existing sewers or water mains that were abandoned shall belong to the petitioner and will no longer be the responsibility of the City.

RE: Vacation of N/S Alley between Hendricks and E/W Alley West of Chene, and Dedication of property for 23' wide Alley for continuation of existing E/W Alley

On behalf of Ciena Healthcare and the Eastwood Skilled Nursing Home Replacement project, we respectfully request approval for the vacation of the 18' public alley beginning at Hendricks St, West of Chene, and tracking North to the existing East/West alley North of Hendricks. In addition, Ciena would like to dedicate land over the northerly 23 feet of Lot 12 of Block 23. This dedication and repurposing as a public alley, will prevent the existing East/West alley from incurring a "dead end" and will allow users continued access. These actions are requested in conjunction with establishment of a new 100,000 square foot skilled nursing facility (under construction) and associated campus.

This \$15 million project will be the first new construction, skilled nursing facility built in the City of Detroit in over forty years.

The site plans and ALTA surveys have been included with this petition request. Please feel free to contact me with any questions.

Respectfully Submitted,

Brian R Ellison, Principal
