Petitioner,

RE: Petition No. x179

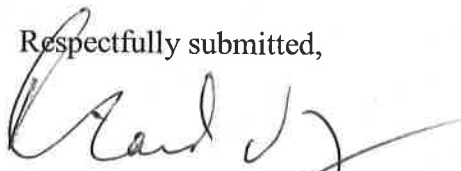

Petition No. x179 of Jonathon Hyde's request to vacate and convert to easement the alley between Woodward Avenue and John R Street, bounded by Montana Avenue and Worcester Place.

The petition was referred to the City Engineering Division – DPW for investigation (utility review) and report. This is our report.

The review of petition x179 has determined that the required minimum of signatures was not obtained to approve this request. Per City of Detroit ordinance 43-7-1, a petition to vacate any alley the petitioner must obtain signature consent from no less than two-thirds of the adjacent owners.

The Department of Public Works, City Engineering Division denies this petition request. Please receive and file this report for you reference.

Respectfully submitted,

Richard Doherty, City Engineer
City Engineering Division – DPW
