The Issue Date is the date the license/registration was originally issued. The Expiration Date is the date the license/registration expired or will expire. The license/registration may not have been active from the Issue Date to the Expiration Date; there may have been periods of non-licensure or registration.

Michigan law requires all dealers to renew their licenses by Dec. 31. Secretary of State offices cannot accept transactions from dealers with expired licenses. If you don't renew by Dec. 31, you must apply for an original dealer license.
