Re: Vacation of Pleasant from (Dix to Vacated Oakwood) and  
Fordson between (Pleasant & Former Wabash ROW)

The Honorable City Council:

On behalf of Marathon Petroleum Company LP, we are petitioning the City of Detroit to vacate a section of Pleasant from the east ROW of Dix to vacated Oakwood for 585 feet. We are also requesting the vacation of Fordson from Pleasant to the former Wabash ROW for 730 feet. Please see Exhibit 1, attached.

This request on behalf of Marathon for the vacation of these sections of Pleasant and Fordson are being proposed in order to integrate our expanding campus into the existing refinery.

Pleasant is currently closed at vacated Oakwood and Fordson is undeveloped.

Marathon is the sole owner of all the property on both sides of Pleasant within the limits of the vacation petition and owner of all property on the east side of Fordson within the limits of the vacation petition.

There are three other property owners adjacent to Fordson on the west side. Their properties front Dix and the rear of their property is adjacent to Fordson. All three property owners are in full support of the petition request for vacation. Attached are signed support letters from each of the property owners.

This petition is not for an outright vacation. There are existing utilities that will require utility easements for the current Right-of-Way areas petitioned to be vacated.

Respectfully Submitted,

David A. Rzyzi, PE
