Honorable City Council:

**RE: Petition No. 306 – 1801 Howard LLC request to vacate the public alley between Rosa Parks Blvd and 10<sup>th</sup> Street, bounded by West Lafayette Blvd and Howard Street.**

Petition No. 306 – 1801 Howard LLC request to vacate the public alley between Rosa Parks Blvd, 120 ft. wide, and 10th Street, 50 ft. wide, bounded by West Lafayette Blvd, 80 ft. wide, and Howard Street, 60 ft. wide.

The petition was referred to the City Engineering Division – DPW for investigation (utility review) and report. This is our report.

The request is an effort to remove unused alleys from the City of Detroit road network.

The request was approved by the Solid Waste Division – DPW, and Traffic Engineering Division – DPW, and City Engineering - DPW.

Detroit Water and Sewerage Department (DWSD) has no objection to the vacation and conversion to utility easement provided certain provisions are met. The DWSD provisions are a part of the attached resolution.

All other involved City Departments, and privately owned utility companies have reported no objections to the vacation and conversion to utility easement of the alley. Provisions protecting utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,

Richard Doherty, P.E., City Engineer  
City Engineering Division – DPW
