Re: Vacation of Colonial between Norway and Oakwood

The Honorable City Council:

On behalf of Marathon Petroleum Company LP, we are petitioning the City of Detroit to vacate a section of Colonial between Norway and Oakwood for 194.78 feet as shown on attached exhibit 1.

This request on behalf of Marathon for the vacation of this section of Colonial is being proposed in order to eliminate the existing ROW between proposed new parcels being combined and due to no existing or future needs for the ROW.

This section of Colonial was closed when Oakwood was re-routed. There is an existing guardrail at Norway on the north end and it is not connected to Oakwood at the south end. The pavement has been removed and is considered un-improved ROW.

Marathon is the sole owner of all the property on both sides of Colonial within the limits of this vacation petition.

This petition is not for an outright vacation. There are existing utilities that will require utility easements for the current Right-of-Way area petitioned to be vacated.

Respectfully Submitted,

David A. Rzyzi, PE
The Mannik & Smith Group, Inc.
